Thank you for the update Susan,

Of course everything is taking significantly longer than we expected and so I also expect out things to remain in storage for quite a bit longer: Possibly a year or more. I'm also acutely aware of this growing bill and so I think we'll start sending you money monthly so it doesn't keep growing, but starts shrinking instead. Is Gera Birk (gera@orbitmoving.com) still the right person to send eTransfer money to?

Best regards,
Nadim
