Dear Nadim,

Your Payment receipt - for 600.00 is attached.
Thank you for your business - we appreciate it very much.

Important note: Due to the current crisis in the Global Shipping Industry, we are experiencing significant delays and container shortages. While we do our due diligence and always try to obtain a confirmed container reservation, oftentimes containers are unavailable and reserved vessels are delayed or do not sail at all. Furthermore, many ports are currently congested and short-staffed due to COVID-19 protocols and associated operational constraints. These situations cause unexpected and unavoidable delays and expenses. Unfortunately, charges resulting from such delays or additional fees inflicted by the ocean carriers, with little or no notice, will be added to your invoice. Rest assure, Orbit will do it's best to prevent and avoid these charges - if at all possible. You can learn about the challenges at <https://www.nytimes.com/2021/03/06/business/global-shipping.html?searchResultPosition=7>

Thank you and kind regards,

Keren Shaked
