Hi Susan, Thanks for following up

We really aren't sure yet as to the date of shipping. We need to get our sedula for Ecuador before we are able to send anything there.

Things are taking longer as Covid started after we had just started making plans for moving there.

So needless to say, a lot of things need to be sorted thru, red tape and such.

My husband and I will look at all that has to be figured and get back to you as soon as possible.

Look forward to talking to you again soon.

Kind regards,

Dawn and Nadim

Follow Up

Hi Dawn,

I hope all is well. I am following up on the email I sent to you last Friday but did not yet receive a response back from you. Our accounting department was checking in with me to see how much longer storage is required at our Toronto warehouse. Do you know when and where your goods are to be sent / delivered to?

Appreciate hearing back from you at your earliest.

Thank you and kind regards,

Susan Anderson

Thank you Dawn,

This will cover the storage up to April 11th. Do you or Nadim know how much longer you will require this to stay in storage (at our Toronto warehouse) or do you now have a delivery address and want to proceed with forwarding this out of our warehouse?

Thank you and kind regards,

Thank you for your call Dawn. Greatly appreciated.

Once payment received and processed our accounting department will send out a confirmation receipt.

Can you please confirm amount sent through in case it did not indicate your husbands name/file reference number.

Thank you and kind regards,

Hello Dawn,

As per the breakdown on attached invoice – monthly storage charges are based on \$525.00 Cdn per month. For three months coverage this is \$1,575.00

As this is no longer being sent to Ecuador, shipments staying in Canada must pay HST which is 13% and now added on to your storage charges.

Please let me know if you have any further questions I can assist with.

Thank you and kind regards,

Susan Anderson

Hello Susan,

Thank you for your recent email.

I would like to inquire about the monthly break down. I was under the impression we were paying a fair bit less than this.

Please get back to me with some sort of clarification and documentation of this if you could please and then I'll pay the outstanding amount.

Thank you so much for your ongoing understanding and cooperation.

Kind regards,

Dawn and Nadim
